

INTRODUCING

ALL NEW WIRELESS REFRIGERANT SCALE, SR47INT

Tough enough to handle the heaviest tanks in the industry

New Fieldpiece Wireless Refrigerant Scale, SR47INT is built with you in mind. The scale has a large platform for bigger refrigerant tanks and wirelessly connects to both Job Link® System App and manifold.

The SR47INT is water resistant, has a wireless range of 300 meters and is reliable and accurate up to a maximum weight of 114kg

Wireless Refrigerant Scale, SR47INT

Wireless Refrigerant Scale, SR47INT Specifications

Maximum Load	114kg
Platform Dimension	33,02cm
Accuracy	±0.03% rdg + 10 g z (0.25 oz)
Weight (includes platform, remote and case)	~3.18 kg
Best Resolution and Units	kg g (10 g) lb oz (0.25 oz)
Power Source	9v (remote display) 6 x AA (platform)
Battery Life	Remote display: 80 hours typical alkaline (without backlight) Platform: 200 hours typical alkaline
Wireless Range	300 meters line of sight from remote and mobile app
Remote Display	Blue LED light display for dark conditions
Water Resistant Rating	Remote - IP64, Platform - IP54
What's in the Box	Scale platform, wireless remote, batteries, carrying case
